

Architectural floor plan of the first floor of the 'Nuovo Istituto di Ricovero e Cura a Carattere Scientifico' (IRCCS) in Rome. The plan shows various rooms including ambulatorios, depositories, waiting areas, and specialized treatment rooms. Rooms are labeled with numbers (e.g., L056, L057, L054) and their respective areas and heights. The layout includes a central corridor system and several specialized treatment areas like 'SCOTTOLINA' and 'SPOGL. UOMINI'.
